BALDINUCCI

PIZZA ROMANA

OUR STORY

Our father, Enrico Balducci, was born in Naples, Italy and opened our first pizzeria in Long Island, New York, in 1977. Growing up in that pizzeria, we learned the craft at a young age, and over four decades in the business, we took in additional lessons from an entire generation of Italian-American pizzaioli who created delicacies that much of the country has yet to discover.

We combined our family legacy, our culinary influences, experiences from around the world, and fresh, local ingredients to bring you authentic New York pizza and a modern version of Roman-style pizza that blends food and art. Roman-style pizza is square and thicker than New York pizza, but it is lighter and more airy on the inside, as it is made with a higher hydration dough.

At Balducci, our family's vision is to provide you with the world's best dining in a quick, beautiful slice. Visit us and let us elevate your pizza experience.
